Parent POWER

Parents are your children's **first & most important teachers!** We need you to support and stay involved in helping your child to succeed at school and in life!

Enrolment update

Thank you for your patience with our class placement process. Over the course of the summer and through the first week of school we have seen a slight shift in our student population from intermediate to primary and we have also seen an increase in our overall student population. We currently have 185 students registered which is up from our projected 176. Currently, it doesn't look like we will need to make any significant changes to our class structures to accommodate this growth. Once again, we appreciate your patience with this process as it will help us pave the way for a very successful year for our students!

HOT LUNCH ORDERING

As we get ready for another exciting year at school, it is also time to get the Hot Lunch Program up and running. We will be doing online ordering for all orders to ensure accuracy with the orders and to make the process as easy for everyone as possible. The window for ordering lunches is from the 16th—24th each month. During that time period you can order for multiple dates. The ordering window closes on the 24th so that our volunteers can prepare student orders.

Here's how to get started...

- ★ Go to sre.hotlunches.net
- ★ Click on "Click Here to Register"
- ★ Enter Access Code **SRHL**
- ★ Complete the rest of the registration form. (Including your email address which will ensure you receive reminder emails about hot lunch order deadlines, and your child's hot lunch order for the upcoming week)
- ★ Click the "**Register Now**" button at the bottom
- ★ Follow the instructions to add each child in your family who attends **South Rutland Elementary**.
- ★ Once your child(ren) are registered, click on "Orders"
- ★ Proceed to order hot lunch for your child(ren)
